

MAKOTI PRIMARY OPTION DENTAL BENEFIT TABLE 2018
MAKOTI COMPREHENSIVE OPTION DENTAL BENEFIT TABLE 2018

Dental benefits are paid at the scheme tariff. Hospitalisation and certain specialised dentistry procedures must be pre-authorized*. If no pre-authorization is obtained or if pre-authorization is applied for after the treatment has been done, benefits will not apply for crowns, periodontics, IV/conscious sedation and hospitalisation. Failure to pre-authorise orthodontic treatment will result in a payment ONLY from date of authorisation for the remaining months of treatment, provided that the treatment is clinically indicated. Pre-authorization does not apply to emergency hospital admissions. Dental benefits are subject to managed care protocols and managed care interventions which may include the requirement of treatment plans and/or radiographs prior to benefit application. Scheme Exclusions apply to dental benefits. In the event of a dispute, the registered rules of the scheme prevail.

Dentures* must be pre-authorized on the Comprehensive option.

Please note that all Specialised Dentistry benefits for the Makoti Comprehensive Option are subject to a limit of R2 862 per family per year. This includes Partial Metal Frame Dentures, Crown & Bridge, Orthodontics, Periodontics and Maxillo-facial Surgery.

- Intramuscular or subcutaneous injection
- Procedures that are defined as unusual circumstances and procedures that are defined as unlisted procedures

GOMOMO CARE DENTAL BENEFIT TABLE 2018

Dental benefits are paid at the Sizwe Dental tariff (SDT). Dental benefits are subject to managed care protocols and managed care interventions at a DENIS Designated Service Provider Network for Dentists which may include the requirement of treatment plans and/or radiographs prior to benefit application. Scheme Exclusions apply to dental benefits. In the event of a dispute, the registered rules of the scheme prevail.

Dentures* must be pre-authorised on the Gomomo option.

If no authorisation or late authorisation is obtained before commencing IV/conscious sedation, no benefits will apply. The benefits are subject to an annual family limit for dentistry. The family limit amount is calculated according to the number of lives on the membership (see table below).

Number of Lives	Annual Family Limit
Member	R 2 770
Member + 1	R3 190
Member + 2	R3 470
Member + 3	R3 750
Member + 4	R4 010
Member + 5	R4 290
Member + 6	R4 710

		GOMOMO CARE OPTION
CONSERVATIVE DENTISTRY	Consultations	One annual check-up per beneficiary. Benefit is subject to managed care protocols. Covered at the SDT.
	X-rays: Intra-oral	Benefit is subject to managed care protocols. Covered at the SDT.
	X-rays: Extra-oral	One per beneficiary in a 3-year period. Benefit is subject to managed care protocols. Covered at the SDT.

- Procedures that are defined as unusual circumstances and procedures that are defined as unlisted procedures

MALCOR OPTION D DENTAL BENEFIT TABLE 2018

Dental benefits are paid at the scheme tariff. Hospitalisation and IV/conscious sedation must be pre-authorized*. If no pre-authorization is obtained or if pre-authorization is applied for after the treatment has been done, benefits will not apply. This does not apply to emergency hospital admission. Dental benefits are subject to managed care protocols and managed care interventions which may include the requirement of treatment plans and/or radiographs prior to benefit application. Scheme Exclusions apply to dental benefits. In the event of a dispute, the registered rules of the scheme prevail.

Dentures* must be pre-authorized on Malcor Option D.
