

2013 Denis Tariff Schedule

Denis shall be entitled to update the tariff schedule from time to time, subject to the provision of notice to the service provider. The tariffs listed do not consider scheme exclusions or scope of practice and is by no means a commitment of funding. Benefit entitlement is governed by the relevant scheme option and rules as well as risk management interventions and protocols

Procedure Code	54	62	64	92	94	95
