BONCOMPREHENSIVE Dental Benefit Table 2023

Dental Benefits**

The dental benefits of the **BonComprehensive** option will be paid from the member's available Savings and/or Threshold Limit.

Dental benefits are paid at the Bonitas Dental Tariff (BDT).

The dental benefits as published below will apply, subject to DENIS managed care protocols and managed care interventions which may include the requirement of treatment plans and/or radiographs prior to benefit application.

Scheme Exclusions apply to dental benefits.

In the event of a dispute, the registered Rules of the Scheme will prevail.

Pre-authorisation*

Hospitalisation, and certain dentistry procedures and treatments must be pre-authorised. Pre-authorisation is required for: Dentures, Crown & Bridge, Implants, Orthodontics, Periodontics, Hospital Admissions and Moderate / Deep Sedation in the Dental Rooms.

Procedures and treatments not pre-authorised will not attract a benefit, with the exception of Crown & Bridge procedures where a 20% penalty will apply if authorisation is applied for after the treatment is clinically indicated.

Failure to pre-authorise orthodontic treatment will result in a payment *only* from date of authorisation for the remaining months of treatment, provided that the treatment is clinically indicated.

Penalties do not apply to emergency hospital admission.

*** Please note that Medscheme will be responsible for the payment of all dental related claims on the BonComprehensive option.*

CONSERVATIVE DENTISTRY	BONCOMPREHENSIVE
Consultations	Two check-ups per beneficiary per year (once every 6 months) Benefit subject to managed care protocols Covered at the BDT

BONCLASSIC Dental Benefit Table 2023

Dental Benefits

Dental benefits are paid at the Bonitas Dental Tariff (BDT) subject to the available financial limit.

Dental benefits are subject to managed care protocols and managed care interventions which may include the requirement of treatment plans and/or radiographs prior to benefit application.

Scheme Exclusions apply to dental benefits.

In the event of a dispute, the Rules of the Scheme will prevail.

Co-payments

On the **BonClassic** option a co-payment is levied on the *hospital account*.

Bonitas BonClassic Hospital Network

Members on the **BonClassic** option must use a hospital within the Bonitas BonClassic Hospital Network.

Should a member on the **BonClassic** option make use of a non-network hospital for an elective procedure, a 30% co-payment will be applicable on the hospital account.

Pre-authorisation*

Hospitalisation, and certain dentistry procedures and treatments must be pre-authorised. Pre-authorisation is required for: Dentures, Crown & Bridge, Orthodontics, Periodontics, Hospital Admissions and Moderate/Deep Sedation in the Dental Rooms.

Procedures and treatments not pre-authorised will not attract a benefit, with the exception of Crown & Bridge procedures where a 20% penalty will apply if authorisation is applied for after the treatment has been clinically indicated.

Failure to pre-authorise orthodontic treatment will result in a payment *only* from date of authorisation for the remaining months of treatment, provided that the treatment is clinically indicated.

Penalties do not apply to emergency hospital admission.

**SPECIALISED
DENTISTRY**

BONCLASSIC

Specialised Dentistry limit of R6 570 per family per year

**Orthodontics*
and Associated
Laboratory Costs**

Pre-authorisation required

Benefit for orthodontic treatment granted once per beneficiary per lifetime

Only one family member may commence orthodontic treatment in a calendar year

On pre-authorisation, cases will be clinically assessed by using an orthodontic needs analysis. Benefit allocation is subject to the outcome of the needs analysis and funding can be granted up to **100%** of the BDT.

Benefit for orthodontic treatment will be granted where function is impaired.

Benefit will not be granted where orthodontic treatment is required for cosmetic reasons. The associated laboratory costs will also not be covered.

Benefit for fixed comprehensive treatment:

Limited to individuals from age 9 and younger than 18 years of age

Benefit subject to managed care protocols

Scheme Exclusions:

- Orthognathic (jaw correction) and other orthodontic related surgery, and any associated hospital and laboratory costs
- Orthodontic re-treatment and any related laboratory costs
- Invisible retainer material
- Laboratory delivery fees

Periodontics*

Pre-authorisation required

Benefit will only be applied to members registered on the Periodontal Programme.

Benefit limited to conservative, non-surgical therapy only

Benefit subject to managed care protocols

Covered at the BDT

Scheme Exclusions:

- Surgical periodontics which includes gingivectomies, periodontal flap surgery, tissue grafting and the hemisection of a tooth
- PerioChip placement

**Maxillo-facial Surgery
and Oral Pathology**

Surgery in the dental chair:

Benefit subject to managed care protocols

Covered at the BDT

Temporo-mandibular joint (TMJ) therapy:

Benefit limited to non-surgical intervention/treatments

Oral pathology procedures (cysts and biopsies, the surgical treatment of tumours of the jaw and soft tissue tumours): Claims will only be covered if supported by a laboratory report that confirms diagnosis.

Benefit for the closure of an oral-antral opening (code 8909):

Subject to motivation and managed care protocols

Surgery in hospital: See Hospitalisation* below

Scheme Exclusions:

- Orthognathic (jaw correction) surgery
- Sinus lifts
- Bone augmentations
- Bone and tissue regeneration procedures
- The cost of bone regeneration material
- The auto-transplantation of teeth

HOSPITALISATION AND ANAESTHETICS	BONCLASSIC
Hospitalisation (General Anaesthetic)*	<p>Pre-authorisation required</p> <p>Admission protocols apply</p> <p>Benefit subject to managed care protocols</p> <p>General anaesthetic benefit available for children under the age of 5 years for extensive dental treatment. A co-payment of R3 500 per hospital admission applies.</p> <p>General anaesthetic benefit available for the removal of impacted teeth. A co-payment of R5 000 per hospital admission applies.</p> <p>The hospital and anaesthetist claims for the procedures listed below <i>will not be covered</i> when performed under general anaesthesia. The payment of the dental procedure will be dependent on available benefits, and payable at BDT:</p> <ul style="list-style-type: none"> • Apicectomies • Dentectomies • Frenectomies • Implantology and associated surgical procedures • Conservative dental treatment (fillings, extractions and root canal therapy) for adults • Professional oral hygiene procedures • Surgical tooth exposures for orthodontic reasons <p>Scheme Exclusions:</p> <ul style="list-style-type: none"> • Where the only reason for admission to hospital is dental fear and anxiety • Multiple hospital admissions • Where the only reason for the admission request is for a sterile facility • The cost of dental materials for procedures performed under general anaesthesia

STANDARD Dental Benefit Table 2023

STANDARD SELECT Dental Benefit Table 2023

BONCOMPLETE Dental Benefit Table 2023

Dental Benefits

Dental benefits are paid at the Bonitas Dental Tariff (BDT).

Dental benefits are subject to managed care protocols and managed care interventions which may include the requirement of treatment plans and/or radiographs prior to benefit application.

Scheme Exclusions apply to dental benefits.

In the event of a dispute, the registered Rules of the Scheme will prevail.

Co-payments

On the **Standard**, **Standard Select** and **BonComplete** options:

- Co-payments are levied for *orthodontics*
- Co-payments are levied on the *hospital account*

DSP Network: Standard Select

Benefits payable on the **Bonitas Standard Select** option are subject to the use of a Designated Service Provider (DSP) on the DENIS Dental Network.

Hospital Network: Standard Select & BonComplete

Members on the **Standard Select** option must use a hospital within the Bonitas Standard Select Hospital Network.

Members on the **BonComplete** option must use a hospital within the Bonitas BonComplete Hospital Network.

Should a member on these two options make use of a non-network hospital for an elective procedure, a 30% co-payment will be applicable on the hospital account.

Pre-authorisation*

Hospitalisation, and certain dentistry procedures and treatments must be pre-authorised. Pre-authorisation is required for Dentures, Crown & Bridge, Orthodontics, Periodontics, Hospital Admissions and Moderate/Deep Sedation in the Dental Rooms.

Procedures and treatments not pre-authorised will not attract a benefit, with the exception of Crown & Bridge procedures where a 20% penalty will apply if authorisation is applied for after the treatment has clinically indicated.

Failure to pre-authorise orthodontic treatment will result in a payment *only* from date of authorisation for the remaining months of treatment, provided that the treatment is clinically indicated.

Penalties do not apply to emergency hospital admission.

PRIMARY Dental Benefit Table 2023

PRIMARY SELECT Dental Benefit Table 2023

Dental Benefits

Dental benefits are paid at the Bonitas Dental Tariff (BDT).

Dental benefits are subject to managed care protocols and managed care interventions which may include the requirement of treatment plans and/or radiographs prior to benefit application.

Scheme Exclusions apply to dental benefits.

In the event of a dispute, the registered Rules of the Scheme will prevail.

Pre-authorisation*

Hospitalisation and Dentures must be pre-authorised.

Procedures and treatments not pre-authorised will not attract a benefit.

Penalties do not apply to emergency hospital admission.

Co-payments

On the **Primary** and **Primary Select** options:

- Co-payments are levied for *plastic dentures*
- Co-payments are levied on the *hospital account*

DSP Network: Primary and Primary Select Options

Benefits payable on the **Primary** and **Primary Select** options are subject to the use of a Designated Service Provider (DSP) on the DENIS Dental Network.

Out-of-Network Emergency Consultation

There is a benefit for *one* out-of-network emergency consultation (tariff code 8104) per beneficiary per year on the **Primary** and **Primary Select** options.

The following treatment is covered when charged with code 8104: extractions (code 8201 – max of 2); a pulpotomy (8307 – max of 2) or a pulpectomy (8132 – max of 2).

Bonitas Primary Select Hospital Network

Members on the **Primary Select** option must use a hospital within the Bonitas Primary Select Hospital Network.

Should a member on the **Primary Select** option make use of a non-network hospital for an elective procedure, a 30% co-payment will be applicable on the hospital account.

BONSAVE Dental Benefit Table 2023

Dental Benefits

Preventative dental benefits are managed by DENIS and paid at the Bonitas Dental Tariff (BDT).

Only the dental codes listed in the table below will be covered under this option for out of hospital dental services.

Any dental codes not listed below, may be funded by the Scheme's administrator from the member's positive savings account – only on request from the member.

Dental benefits are subject to managed care protocols.

In the event of a dispute, the registered Rules of the Scheme will prevail.

Co-payments

On the **BonSave** option a co-payment is levied on the *hospital account*.

Bonitas BonSave Hospital Network

Members on the **BonSave** option must use a hospital within the Bonitas BonSave Hospital Network.

Should a member on the **BonSave** option make use of a non-network hospital for an elective procedure, a 30% co-payment will be applicable on the hospital account.

Pre-Authorisation*

Dental treatment in hospital and Moderate/Deep Sedation in the Dental Rooms is limited to the removal of impacted teeth **ONLY** and must be pre-authorized. Procedures and treatment not pre-authorized will not attract a benefit.

Penalties do not apply to emergency/PMB hospital admissions.

CONSERVATIVE DENTISTRY	CODE	DENIS BENEFIT INFORMATION
Consultations	8101	Two consultations per beneficiary per year (once every 6 months)
Polishing of Teeth	8155	Two scale and polish treatments per beneficiary per year (once every 6 months)
Scaling and Polishing	8159	Code 8155 and/or 8159 (max of 2 in total per year)
Fluoride Treatment		Two treatments per year, limited to beneficiaries from age 5 and younger than 16 years of age
	8161	5 to 12 years of age
	8162	13 to 15 years of age

BONFIT SELECT Dental Benefit Table 2023

Dental Benefits

Preventative dental benefits are managed by DENIS and paid at the Bonitas Dental Tariff (BDT).

Only the dental codes listed in the table below will be covered under this option.

Dental benefits are subject to managed care protocols.

In the event of a dispute, the registered Rules of the Scheme will prevail.

Hospitalisation

PMB treatment is the only dental treatment covered in hospital on the **BonFit Select** option.

Pre-authorisation by DENIS is required for any dental related PMB hospitalisation.

Emergencies require authorisation within 48 hours of the first working day.

BENEFIT	CODE	DENIS BENEFIT INFORMATION
Consultation	8101	Two consultations per beneficiary per year (once every 6 months)
Polishing of Teeth	8155	Two scale and polish treatments per beneficiary per year (once every 6 months) Code 8155 and/or 8159 (max of 2 in total per year)
Scaling and Polishing	8159	
Fluoride Treatment		Two treatments per year, limited to beneficiaries from age 5 and younger than 16 years of age
	8161	5 to 12 years of age
	8162	13 to 15 years of age
Fissure Sealant	8163	One per tooth in a 3-year period for beneficiaries younger than 16 years of age
Infection Control	8109	One set per beneficiary per visit (One set = 8109 x 2, 8110 x 1, 8145 x 1)
Instrument Sterilisation	8110	
Hospitalisation (General Anaesthetic)*		No benefit for In-hospital (General Anaesthetic) dentistry, <i>except for PMBs.</i> Subject to pre-authorisation

BONCAP Dental Benefit Table 2023

Dental Benefits

Dental benefits are managed by DENIS and paid at the Bonitas Dental Tariff (BDT).

There is no overall annual limit on **BonCap** for 2023.

Only the dental codes listed in the table below will be covered under this option, except in the case of authorised Prescribed Minimum Benefit (PMB) events.

This option does not provide benefits for any Specialised Dentistry.

Dental benefits are subject to managed care protocols and managed care interventions which may include the requirement of treatment plans and/or radiographs prior to benefit application.

In the event of a dispute, the registered Rules of the Scheme will prevail.

Please note that Medscheme will be responsible for the payment of all dental claims (Out-of-hospital dentistry, In-hospital PMB dentistry and related anaesthetics) on the BonCap option.

DSP Network

Benefits payable for Conservative Out-of-hospital services on the BonCap option are subject to the use of a Designated Service Provider (DSP) on the **DENIS Dental Network**.

If there is no DSP in the member's area, the member needs to contact DENIS prior to treatment.

Pre-authorisation*

Dentures must be pre-authorised on the BonCap option. A 20% penalty will apply if authorisation is applied for after the treatment is clinically indicated.

PMB treatment is the only dental treatment covered in hospital on the BonCap option. Pre-authorisation by DENIS is required for any dental related *PMB hospitalisation*.

Emergencies require authorisation within 48 hours of the first working day.
